

Pearson & Schachter is a DBE, MBE, and WBE certified law firm that represents private and public domestic and international companies, professionals, investors, and individuals in litigated, non-litigated and transactional matters. Their attorneys have a history of service as leaders in a variety of legal, industry, and community organizations. Robin Pearson is an experienced litigator, trial lawyer and mediator who has argued before the Ninth Circuit Court of Appeal and has represented public and private companies in litigation regarding contracts, unfair business practices, real estate, insurance, employment, professional liability, construction disputes and creditors' rights in federal bankruptcy. Michael Schachter is an experienced business, corporate, and real estate transactional attorney who has represented emerging growth, private and public companies in the consummation of mergers, stock sales, asset acquisitions and other reorganizations, formation of entities, the purchase and sale and leasing of commercial real estate. Their firm is committed to providing sophisticated, quality, fair, responsive, and cost-effective client service.
